Each year in October, if there are funds remaining in the Hole in One Club account, the amount is divided between the Hole in One winners and is given as Golf Shop credit that expires the following year.

Lessons
The Club at Rolling Hills has a tradition of excellence in our teaching programs. The golf professional staff can set up a learning program through the season that is tailored to the individual. A variety of clinics are also offered including beginning 9-hole, 18-hole, juniors and advanced junior golfers. Communication is the basis for learning. If you feel you and your teacher do not communicate well, feel free to change professionals. Your improvement is our main concern. Lessons should be made by appointment through the Golf Shop. If for some reason you cannot make your scheduled time, please call and reschedule your lesson. For
information, on the teaching staff and their teaching philosophy, please visit the “Staff Directory” under the Golf section on our website.

**Junior Golf Program**
Wednesday mornings during the summer months of June through July, the golf course is reserved for junior golf until 11:30 am.

It is our mission to provide the highest level of golf instruction for all junior golfers. We provide a fun, safe, and high quality experience each summer. Our junior golfers attain the skills and knowledge to enjoy the game and learn respect for the course, the game and its rules and etiquette.

**Golf Course Dress Code Guidelines**
Members, their spouses, children and guests are required to dress neatly in appropriate golf attire when using the golf course or practice areas. Appropriate golf attire is consistent with the golf clothing that is available in a private club Golf Shop. Blue jeans, denim type pants, short shorts, workout (sweat) pants, commercially printed t-shirts and swimwear are not permitted on the golf course or practice facilities at any time. No metal spikes are permitted on the course or practice areas.

**Gift Cards**
Gift cards issued from the Golf Shop can be used for merchandise purchases only. They cannot be used for club repair or golf lessons.

**Golf Course Rules**
The Club is committed to enhancing every member’s golf experience. Pace of Play is a very important aspect of your experience.

All groups are required to complete their round in **4 hours and 10 minutes** or within 10 minutes of the group in front of you. 9-hole rounds are required to finish in 2 hours and 5 minutes. During play, groups are required to keep up with the group in front of them and to maintain pace-of-play throughout their round. Failure to complete a round in 4 hours and 10 minutes will result in penalties as follows for ALL players in your group:

**1st Infraction** - all members of the group will be contacted by the golf committee and given a written warning.

**2nd Infraction** - all members of the group will have their names and time of the round posted in the Golf Shop for three months. Any future golf rounds with three guests will require the use of a forecaddie between the hours of 10:00 am and 3:00 pm at the expense of the member.

**3rd Infraction** - loss of playing privileges before 2:00 pm for two weeks, loss of fivesome playing privileges for 3 months and the loss of guest privileges for 5 weeks.
4th Infraction - referred to the Board of Directors for further action. This may include the loss of playing privileges and other sanctions.

Further, golfers are required to be at the tee and to tee off at their designated tee time. If you are late for your tee time, you may then play only if there is an open tee time later in the day.

ONLY IF there are no tee times and no golfers behind you AND you have not delayed the play of others at any point during your round, you may be allowed to exceed 4 hours and 10 minutes.

While “play through” is common on public courses, it is not permitted during a busy tee sheet as this will slow the entire course down. If you need assistance keeping up with pace-of-play, please ask the golf professionals.

If you are experiencing a group in front who is not on pace, you are strongly encouraged to call the Golf Shop to report the slow play. The staff is authorized to ask slow groups to pick up and move to the next tee, skip a hole or take other action deemed necessary by the golf staff to keep pace. Please do not confront another member directly on the course. Any golfers who treat Golf Shop staff disrespectfully, will be subject to sanctions determined by the Board of Directors, including possible loss of club privileges. The Director of Golf is responsible for ensuring the Pace of Play policy is carried out.

B. Handicap requirements for tournament play are posted in the handicap case in the Golf Shop.
